Like most private clubs, Narragansett Bow Hunters will continue to succeed so long as its members volunteer their time and energy to the business and maintenance of their club. To encourage volunteerism from its members, NBH offers discounts to renewing members who contribute their time performing work beneficial to the club. Renewing memberships who contribute at least sixteen (16) hours of this type work during the membership year immediately prior to renewal will receive a \$50 discount to their renewal fees for that year. Memberships who do not perform at least 16 hours of this work during this same period are assessed a \$50 surcharge on their renewal fees.

Most work is accomplished by members who voluntarily step up after an announcement is made of need (e.g., at meetings, newsletters, BB postings, WWW). In some instances and as necessary, you may be directly contacted.

Below, please check those work categories you are willing to help with. In addition, circle those work categories that you 1) might be willing to chair in the future, and/or 2) participate in as a committee member.
